**NOTICE IS HEREBY GIVEN** that a proposed plan has been filed that concerns your interest in the above-described property. If not attached, a copy of the plan and related motion has been sent to you separately.

Your rights may be affected. You should read the motion and the accompanying papers carefully and discuss them with your attorney, if you have one in this bankruptcy case. (If you do not have an attorney, you may wish to consult one.)

If you do not want the court to grant the Debtor’s request, or if you want the court to consider your views on the motion, then on or before the later of 20 days after the date of the notice of the conclusion of the meeting of creditors or 20 days after service of an amended plan and any related motions, you or your attorney must file an “Objection to Chapter 13 Plan / Related Motion” at:

United States Bankruptcy Court  
District of Hawaii

If you mail your response to the court for filing, you must mail it early enough so the court will receive it on or before the deadline stated above. If you file a timely objection, the court will schedule and notify you of a hearing on the objection. If you or your attorney do not file an objection, the court may decide that you do not oppose the relief being sought in the motion and may enter an order confirming the proposed plan, including the valuation of collateral or avoidance of liens as requested by the Debtor.
