

United States Bankruptcy Court
District of Hawaii

This is an automated reminder from the bankruptcy court that you have overdue filing fees. Failure to promptly pay these fees may result in dismissal of a case, striking of a motion, or sanctions. Please click on the link to make payments - [Internet Payments Due](#)

If you have technical difficulties in processing your payment, please call the CM/ECF help desk: (808) 523-7373.

If the outstanding balance remains due for more than 1 day, your CM/ECF login will be disabled; you may log in to make payment but will not be able to electronically file any documents. Once fees are paid, you must log out from CM/ECF, close and reopen your browser, and log in to CM/ECF again to file a document.
