NOTICE: This is a restricted government web site for official PACER use only. Unauthorized entry is prohibited and subject to prosecution under Title 18 of the U.S. Code. All activities and access attempts are logged.

The following updates have been made to the PACER Case Locator, provided by the PACER Service Center:

- Attorney information is now extracted for bankruptcy and adversary cases;
- Alias records are now returned by a search based on SSN/ITIN or Tax ID/EIN; and
- Debtor and joint debtor disposition values are extracted on all cases for which a disposition exists.

Docket Report Enhancements

The Create Appendix option has been modified so you have more flexibility in customizing a docket report. Now you can select only the entries you want and whether you want the PDF document appended to this customized report. Or, if you just want an abbreviated docket report without attached PDF documents, you can select only the entries you need for the task at hand.

Docket Sheet

Case number: 1:12-bk-5

Filed Entered

Documents: [] to []

Include:

- Terminated parties
- Links to Notices of Electronic Filing
- Page counts for documents

Document options:

- Include headers when displaying PDF documents
- View multiple documents
- Create Appendix

Include on the Docket Sheet:

- all docket entries in this case
- selected docket entries only

Include PDF documents
(select documents on the next screen)

Page Counts on Docket Report

The number of pages for documents associated with a docket entry is a new option. Note that this feature is NOT automatic. At the Docket Sheet selection screen, you must select to include page counts:

Notice of Electronic Filing

In prior releases, when an attorney represented more than one party in a case, the attorney's email and party information were listed on the Notice of Electronic Filing (NEF) only for the first party. Now the attorney is listed for each party they represent.

Although an attorney may be listed multiple times on an NEF, the system will not send multiple emails.

Attorney and Party Association

When an attorney or trustee files a pleading, they are prompted to indicate whether they should be linked to the party they represent. In prior releases, the checkbox for the association with the attorney and party was unchecked and if the filer did not check the box, the association was not made. Now, the checkbox for the association is checked by default. The message has been updated to reflect the implications of omitting this necessary association.

File a Motion:

[12-00095 Joe Z. Smith and Jane Smith](#)

IMPORTANT: The following attorney/party association(s) will be created in this case. De-selecting a party association will result in the filing attorney NOT receiving Notices of Electronic Filing for that party. If this is a joint filing, review the list carefully to ensure that only parties represented by the filing attorney are selected.

Bank XYZ, (cr:cr) represented by Attorney, Alex (aty)

If the box is unchecked, the attorney will not get added to the case for noticing or shown in queries and not appear on or receive the Notice of Electronic Filing.

In prior releases, when the Cases Report was run with “Party Information” not selected, a party’s attorney information was displayed on the formatted data output, but not on the data-only output. A new format option, “Include field descriptions,” has been added for use when the data-only format is selected. The field descriptions are inserted in the header row.
