

BANKRUPTCY COURT CALENDARS

Calendars showing both courtroom hearings and meetings of creditors may be viewed online at the court website, www.hib.uscourts.gov, and by using the ChapMobile app on a smartphone or tablet.

Website Calendars

To access the calendars at the court website, click on the **Calendars** button on the home page.

The screenshot shows the official website of the United States Bankruptcy Court for the District of Hawaii. At the top, there is a navigation menu with links for Court Information, Rules & Procedures, Case Information, Filing Without an Attorney, FAQs, Electronic Filing, Forms, and General Info. A central banner provides information about court operations effective March 26, 2022, stating that the Clerk's Office is open and face coverings are no longer required. Below this, there are links for Case Locator (PACER), E-Filing (CM/ECF), E-Filing Claims (ePOC), and Copies of Documents. A 'Welcome' message follows, along with a photo of the court building. At the bottom, there are three main sections: Court Location (Honolulu), CM/ECF Registration, and News & Announcements. A red arrow points to the 'Calendars' button in the bottom navigation bar.

Courtroom Hearings and Trials

On the Courts Calendar page, click on the link for the **Interactive Public Calendar** to access the calendar for court proceedings. The screen will show 6 weeks. The current date will be highlighted. Future dates may be viewed by navigating with the arrow beneath the heading.

Options for settings include whether to display canceled matters (shown with strikethroughs), and filters for type of case (bankruptcy, adversary proceeding, or miscellaneous proceeding), and chapter.

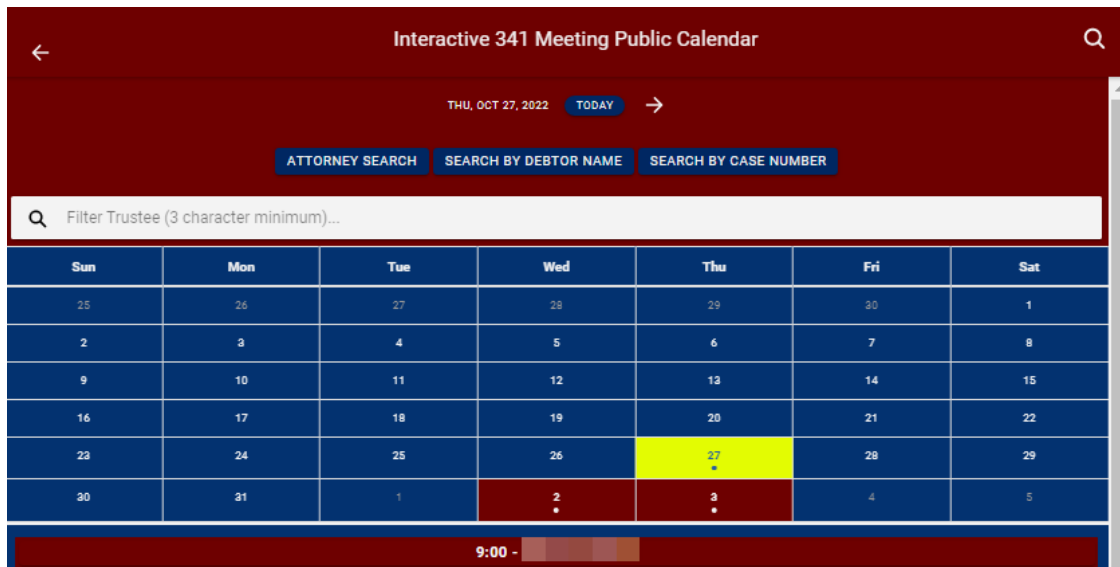

341 Meetings of Creditors

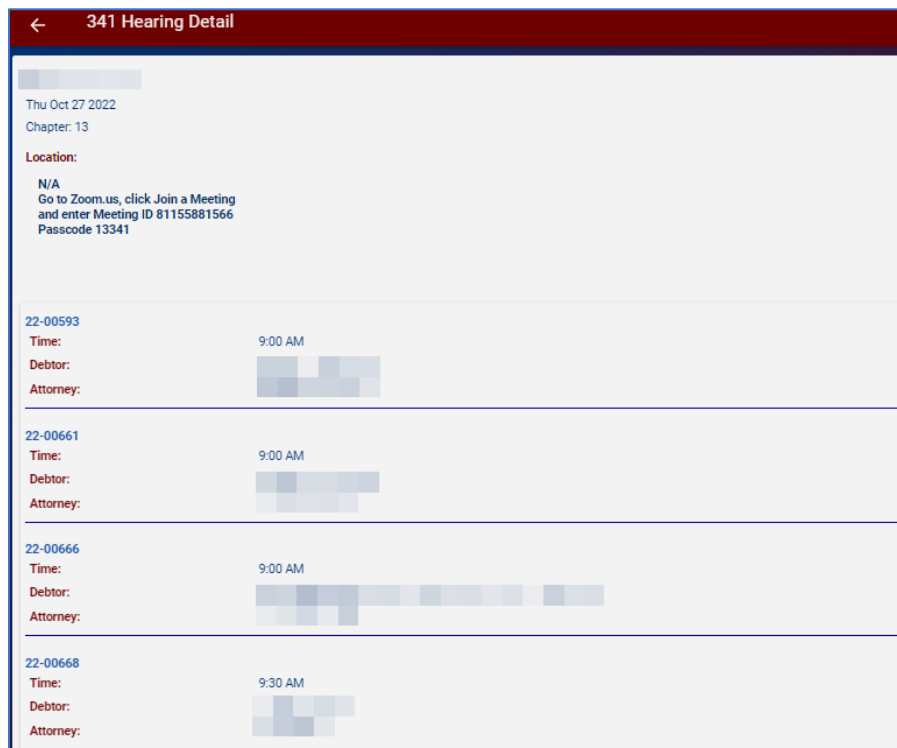

Click on the link **341 CALENDAR** to view the calendars for meetings of creditors presided over by a case trustee. Like the hearings calendar, the 341 calendar may be searched by attorney, debtor, or case number.

The resulting screen will display 6 weeks of dates. If there are meetings scheduled for a particular date, the time of the first meeting and the trustee's name will appear on a bar at the bottom of the calendar.

The 341 hearing detail screen will show the meeting time and names of the debtors and attorneys. Like the hearings calendar, the top left of the screen will show the location or, if held remotely, the connection information. The Zoom Meeting ID will vary according to the assigned trustee.

The same calendars may be viewed using the ChapMobile App for smartphones and tablets developed by the Utah Bankruptcy Court. Download the free app from Google Play or the Apple App Store.
