Aloha mai kāua e Judge Faris,

Thank you for visiting our school, Ke Kula 'o Nāwahīokalani'ōpu'u. Your words of wisdom were not only appreciated by the students but the teachers as well. We were also grateful for the interesting facts about saving money. In fact, I shared some of them with my older sister who is currently attending Arizona State University as a freshman as well as with my parents.

Mahalo again for taking the time out of your busy schedule to share your expertise with us. You are welcome back anytime to our campus. Take care and good luck with all your future endeavors.

Me ke aloha pumehana,

Makamae Nāmāhoe
