4.1 Pre-confirmation adequate protection payments to secured creditors and payments to lessors.

Check all that apply.

- □ None. If "None" is checked, the rest of § 4.1 need not be completed or reproduced.
- Debtor will make adequate protection or lease payments directly to parties listed below and will provide evidence of payment to the trustee.
- ☐ Trustee will make adequate protection or lease payments under 11 U.S.C. § 1326(a)(1)(B) or (C) to parties listed below, beginning as soon as practicable after the creditor files a proof of claim. After confirmation, trustee shall make distributions as provided elsewhere in this plan. If no payment amount is specified, the monthly adequate protection payment amount shall be 2 percent of the estimated value of the collateral, unless stated otherwise in § 12.

- 4.3 Class 1: Secured claims where (a) the debtor was in default on the petition date and (b) the claimant's rights are not modified by the plan, except for the curing of the default.

Check one.

- □ None. If "None" is checked, the rest of § 4.3 need not be completed or reproduced.
- Class 1 claims will be treated as follows.
  - Retention of lien and claimholder's rights. A holder of a Class 1 claim will retain its lien until the underlying debt is paid in full under nonbankruptcy law. This plan does not modify the holder's rights other than by curing the default by paying the prepetition arrearage, i.e. the regular installments of principal, accrued and unpaid interest and other charges, such as attorney fees and collection costs, that became due before the petition date without regard for any acceleration.
  - Claim amount. Unless the court orders otherwise, the amounts of the current installment payment and arrearage listed on a timely filed proof of claim control over any contrary amounts listed below.
  - Cure payments by trustee. Unless a Class 1 creditor agrees to different treatment, the trustee will make distributions to cure the prepetition arrearage. The trustee will make monthly payments on each Class 1 claim that include interest on the arrearage at the standard interest rate described in § 11.3, unless a different rate is stated below. Each Class 1 creditor shall apply these payments only to the prepetition arrearage. The amount of the arrearage is the amount stated in the creditor's proof of claim, unless the court orders otherwise. The trustee shall make no payment to a creditor if there is no timely filed proof of claim, or whose proof of claim states that the arrearage is \$0.00, none, or the like, or if the arrearage amount is left blank.
  - Postpetition maintenance payments. Unless specifically noted otherwise in the box below, the debtor, and not the trustee, shall pay directly to each Class 1 creditor or its agent each payment first becoming due without acceleration after the petition date ("postpetition installments"), as and when due under the applicable agreement and applicable law, but the amount of the postpetition installments shall be determined as if the claim was not in default on the petition date. Each Class 1 creditor must apply the postpetition installments only to the debtor's postpetition obligations.

4.5 Class 3: Secured claims which the debtor proposes to limit to the value of the collateral by requesting a determination under 11 U.S.C. § 506(a) and Bankruptcy Rule 3012(b) ("lien strips").

Check one.

- □ None. If "None" is checked, the rest of § 4.5 need not be completed or reproduced.
- Class 3 claims will be treated as follows (effective only if the applicable box in Section 1 of this plan is checked and the plan is served on affected creditors in the same manner as a summons and complaint under Rule 7004).
  - Request to value collateral to determine amount of secured claim(s). For each claim listed in Attachment
     A: Addendum to Section 4.5, Request for Valuation and Determination of Amount of Secured Claim, the debtor asserts that the amount of the secured claim should be that listed as Amt to be treated as secured.
  - Secured claim by governmental unit. If the debtor seeks a determination of the amount of a governmental unit's secured claim, the debtor must list the proposed lien amount in **Attachment A** and also file a motion that substantially conforms to the local form Motion to Determine Amount of Governmental Unit's Secured Claim and serve the motion on the governmental unit in the same manner as a summons and complaint.
  - Payments by trustee. Unless the claim holder agrees to different treatment, the trustee shall make distributions to pay a Class 3 claim sufficient to pay the allowed amount of the claim plus interest during the duration of the plan at the standard interest rate described in § 11.3, unless a different rate is stated in Attachment A. The difference between the amount determined to be secured and the total amount stated on the creditor's proof of claim will be treated as a Class 10 unsecured claim, unless entitled to priority (Class 8) or special treatment (Class 9). Unless the court orders otherwise, the amount of the creditor's total claim listed on the proof of claim controls.
  - Retention of lien. A holder of a Class 3 claim will retain its lien until the earlier of (a) full payment of the underlying debt determined under nonbankruptcy law, or (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate.
  - List Class 3 claims in ATTACHMENT A: ADDENDUM TO SECTION 4.5, attached at end of plan.
- 4.6 Class 4: Secured claims excluded from 11 U.S.C. § 506 because they are subject to the final paragraph of 11 U.S.C. § 1325(a), e.g., "910 car claims".

# **Liquidation Analysis**

Middle Name

**8.1 Liquidation.** The value, as of the date the petition was filed, of property to be distributed under the plan on account of each allowed unsecured claim is not less than the amount that would be paid on such claim if the estate were liquidated on such date under chapter 7 of the Bankruptcy Code. Debtor estimates, in good faith, that liquidation would be as follows.

Real property – Schedule A/B line 55	\$	5. Exemptions - Schedule C	\$	
2. Personal property – Schedule A/B line 62	\$	Secured claims (less unsecured portions, if any) – Schedule D	\$

#### Section 9:

# **Order of Distribution Payments by Trustee**

- **9.1** As soon as practicable after plan confirmation, the trustee will make the monthly payments required in Sections 4 through 7 in the following order, paid pro rata within each level of distribution, with payments other than those listed to be made in the order determined by the trustee.
  - a. Trustee's statutory fee
  - b. Any maintenance payments due on Class 1 claims if so provided in § 4.3
  - c. The debtor's attorney fees allowed under applicable rules and guidelines
  - d. Claims in Class 1 7, claims under executory contracts and unexpired leases if designated as Class 1 claims, and compensation for a chapter 7 trustee under 11 U.S.C. § 1326(b)(3)
  - e. Class 8 priority unsecured claims and administrative expenses
  - f. Class 9 special nonpriority unsecured claims
  - g. Class 10 nonpriority unsecured claims

# **Vesting of Property of the Estate**

10.1 Upon entry of an order confirming this plan, property of the estate vests in the debtor, *except* any claims against third parties and undisclosed assets. If the case is converted to a case under another chapter, or is dismissed, the property of the estate shall vest in accordance with applicable law.

# **Miscellaneous Provisions**

- **Debtor's duties.** The debtor acknowledges that the debtor must: (a) make timely plan payments and carry out this plan; (b) comply with the debtor's obligations under the Bankruptcy Code and Rules, the Local Bankruptcy Rules, and any applicable local orders and guidelines; (c) file all postpetition federal, state, and local tax returns, and pay all postpetition taxes as they come due, including, if applicable, any requisite estimated income taxes and/or federal tax deposits for payroll taxes; (d) file amended schedules to disclose any property acquired postpetition, including any inheritance, property settlement, claims against third parties, or insurance proceeds, that becomes estate property under 11 U.S.C. § 1306(a)(1); (e) file, if requested, updated schedules I and J or other statement made under penalty of perjury showing monthly income of the debtor, and how income, expenditures, and monthly income are calculated, on each anniversary of plan confirmation; (f) provide any financial information requested by the trustee, including that regarding a business; (g) maintain insurance as required by any law, contract, or security agreement on all vehicles and real or personal property subject to a security interest in the amount of the outstanding claim of the creditor or value of the collateral, whichever is less, unless the court orders otherwise; (h) if the debtor operates a business, maintain liability and other insurance as requested by the trustee; (i) pay timely to the courtordered recipient all domestic support obligations that come due after commencement of the case; (j) obtain court approval before encumbering, selling, or otherwise disposing of any personal or real property other than in the ordinary course of the debtor's business; and (k) obtain written approval from the trustee or court approval before incurring any new debt, or modifying any existing debt, exceeding \$2,500. The debtor understands that failure to comply with any of these obligations may justify dismissal of this case, conversion to another chapter, or other relief.
- 11.2 Tax returns and tax refunds submitted to trustee. Failure timely to submit federal, state, and local income tax returns and refunds as required by § 2.3 may result in dismissal of the case.
- 11.3 Interest rate. The standard interest rate on certain claims is calculated periodically as the national prime rate of interest plus 1.5% and is posted at the court's website. The interest rate with respect to a tax claim or an administrative expense tax is governed by 11 U.S.C. § 511.
- 11.4 Cure payments for prepetition arrearages. For all purposes, including but not limited to 12 U.S.C. § 2601 et seq., and Reg. X ("Regulation X"), 24 C.F.R. § 3500.17(i)(2), all claims shall be deemed reinstated and current upon the entry of an order confirming this plan. No creditor shall be excused from any obligation imposed by law or contract to provide notices of payment changes, interest rate changes, escrow account statements, other account statements, or similar information to the debtor. All creditors shall promptly file copies of such notices and statements with the court.
- 11.5 Postpetition obligations paid directly by debtor. If this plan provides for the debtor to pay directly any postpetition obligations to a creditor, any postpetition fees, expenses, or charges, including those alleged to be due under Bankruptcy Rule 3002.1(a), (c), or (e), are the personal responsibility of the debtor and, unless the court orders otherwise, these postpetition fees, expenses, or charges shall not be paid by the trustee or through the plan.
- 11.6 Limited stay relief. Notwithstanding 11 U.S.C. §§ 362 and 1301, any secured creditor may transmit to the debtor and codebtor payment coupon books and other statements, notices of payment changes or interest rate changes, escrow account statements, and other statements concerning postpetition obligations, if such documents conform to bankruptcy-specific forms required by a federal statute, regulation, or rule, or contain a conspicuous disclaimer that they are being provided for informational purposes only and are not a demand for payment.
- 11.7 Lack of feasibility based on claims actually filed. The trustee may file a motion to dismiss if the trustee determines that, based on the timely filed proofs of claim, the plan funding will be insufficient to pay in full, within 60 months from confirmation, administrative expenses, the prepetition arrearages on Class 1 claims, and the full amount of claims in Class 2, 3, 4, 8, and 9 claims, and the amount of Class 10 claims required to satisfy 11 U.S.C. § 1325(a)(4). The court may dismiss the case without further notice if the debtor fails to file, within 30 days after the date of notice of such motion, an objection to claim or a motion to modify the confirmed plan which will cure the problem.
- **11.8** Conversion or dismissal. The debtor agrees that, if this case is converted to another chapter, the debtor shall promptly file a new schedule C Property Claimed as Exempt.
- **11.9 Student loan debt.** A debt of the kind specified in 11 U.S.C. § 523(a)(8) will not be discharged upon completion of the plan unless the debtor has obtained a determination by the court that paying the debt in full would impose an undue hardship on the debtor and the debtor's dependent.
