EMERGENCY ORDER EXTENDING FILING DEADLINES

Inclement weather conditions beginning December 6, 2021, have caused power outages and other emergency situations throughout the State. Power outages in the Honolulu central business district have resulted in many buildings and offices being inaccessible and computer networks down. Although the bankruptcy court has not been affected by the ongoing power outages and CM/ECF and PACER are operational, the court presumes that many attorneys and other persons having business with the court may not be able to file and view documents online because of the weather conditions and power outages.

For good cause therefor, **any deadlines to file documents in this court that were set for Tuesday, December 7, 2021, are extended until Thursday, December 9.**

SO ORDERED.

United States Bankruptcy Judge
